1. Introduction and System Fundamentals

1.1 What is BudgetTrack?

BudgetTrack is a centralized budget monitoring system designed for EVSU-Ormoc Campus. It provides **real-time visibility** into budget allocations, expenditures, and remaining balances across all departments. The system streamlines financial monitoring with automated updates and comprehensive reporting.

1.2 Key Features

- **Real-time Budget Monitoring:** Track allocations, utilization, and remaining balances
- **Document Management:** Submit and manage PPMP, LIB, and APP documents
- **Automated Workflows:** Streamlined approval processes for budget requests
- **Comprehensive Reporting:** Generate detailed reports by fiscal year, department, and category
- **Role-Based Access Control:** Secure access based on user roles
- **Activity Tracking:** Complete audit trail of all system activities

- **Notification System:** Real-time alerts for important updates

1.3 System Requirements

- Modern web browser (**Chrome, Firefox, Edge, Safari**)
- Internet connection
- Valid user credentials assigned by the Budget Office

1.4 User Roles and Access Levels

The system supports four main user roles, each with specific permissions:

Role Name	Role Code	Access Level	Primary Dashboard	Key Capability
Budget/Finance Office	budget	Full System Administrator	Admin Dashboard	Manage allocations, users, and all system data.
Procurement Office	procurement	Procurement Management	Procurement Dashboard	Track and manage Purchase Requests (PRs) and issue announcements.
Department Offices	offices	Department Management	Department Dashboard	Submit PPMP/LIB/APP, and view real-time budget (Allocation and Utilization).
Supply Office	supply_office	Supply Management	Department Dashboard	All Department capabilities + Purchase Orders module.

2. Getting Started and Navigation

2.1 Accessing the System

1. **Email Registration:** Surrender your campus email to the Budget Office for registration.
2. **Credentials Delivery:** A login credential will be sent to your registered campus email.
3. **System Access:** Open your web browser and navigate to the BudgetTrack system URL (**budgettrack-evsuocc.com**).
4. Click the "**Login**" button in the top-right corner.

2.2 Logging In
